

Detail of map showing location of Utah claims D28 and D30 in the center of section 22. Map prepared by Wild Utah Project © 2005.

Detail of 1950 aerial photo from files of U.S. Geological Survey, failing to show any scar on the land for the portion of Route D30 in the eastern portion of section 22.

Two of Utah's witnesses claim that trucks used the non-existent portion of the route beginning in 1941.
